## Refills

Even seemingly clean surfaces can harbour vast numbers of harmful bacteria. Easy to use Safeseat® surface cleaner provides the individual with the opportunity to clean surfaces such as toilet seats effectively before and after use.

Safeseat® chemical is ultra quick drying and effective against all harmful bacteria commonly found on and around toilet fixtures. Patented “sealed until installed” pouches ensure installation of refills is quick, simple and contamination free.

Each pouch holds a high capacity of up to 3000 measured shots, meaning Safeseat® is ideal for the busier location.
