

## PRODUCT INFORMATION

-  **Fully programmable dispenser**, V-Air<sup>®</sup> SOLID+ dispenser allows the user to set the right atmosphere at the right time to suit them.
-  **Sub-micron technology**, particles are below a micron. 'Sub-micron' fragrance technology ensures a longer lasting aroma with finer fragrance particles.
-  **Multi-phasing**, the V-Air<sup>®</sup> SOLID+ unique outer capsule is infused with high quality perfumes, then complemented by an integrated internal fragrance core. These combine and diffuse powerful key fragrance notes that are subtly different.
-  **Just three parts**, the technology behind V-Air<sup>®</sup> SOLID+ is packed into one powerful refill component, so we've done the hard work for you – no fuss, just fragrance.
-  **No liquids. No leaks**, V-Air<sup>®</sup> SOLID+ contains no liquids so won't spill or leak, even if it's knocked over.
-  **Suitable for multiple locations**, ideal for areas such as hotels, gyms, casinos, retail stores, malls, reception areas, offices or conference rooms.

## Dispenser

V-Air® SOLID+ Dispenser White  
[VAIR-W-PLUS]

## Fragrance Refills

V-Air® SOLID+ refills are created using a unique outer capsule and a fragrance core.

The outer capsule is infused with high quality perfumes, then complemented by a integrated internal fragrance core.

These combine and diffuse powerful key fragrance notes that are subtly different.

The diffusion rate of fragrance moving through the outer capsule is much different to the fragrance evaporating from the surface of the fragrance core.

This means that the start fragrance transforms into something very different over time.

These blends of complementary but differing fragrance notes specifically eliminate fragrance fatigue in a revolutionary way, all from one single aircare system.

## Specifications

**Dimensions**  
(H x W x D) mm  
264 x 147 x 120

**Operation**  
Mains operated  
Voltage: 220-240 VAC  
Power: 50W

**Coverage**  
Effective in room sizes  
up to 500m<sup>3</sup>.

**Fragrance life**  
Fragrance life of up to 30 days.

**Certification**  
CE approved.
