

760 JUMBO CASE

This B&G Jumbo Carry Case with a child-resistant lock is used throughout the pest control industry for a variety of jobs. It can hold a B&G tank sprayer, bait gun and additional gel tubes, a Mini-Dust-R and Bulb Duster, and packets of dust and granules.

FEATURES

These cases are rotationally molded for a seamless and durable construction. The hinges and locks are aluminum for rust-free performance, and the built-in handle makes a strong lid. Additional locks can be added to the case for increased security.

SPECIFICATIONS

- Measures 16 3/4" x 14" x 19 1/4"
